HISTORIC FEATURES

Original 1925-6 Romanesque Revival building still partially visible along Maple--red brick exterior, parapet gable main roof; lower front gable bay with crenelated, stepped parapet; brick label molds over select windows; center entry bay (now partially obscured) with stone crest ornament, panel, and pointed-arch window openings at upper stories

ALTERATIONS

1926 building obscured by multiple additions, dating from the mid-20th century and later. 1957 addition (historic)--2-story south addition features ribbon first-floor windows and ribbon clerestory windows on 2nd story; 1-story projecting north section features a flat roof, recessed entry with round columns, and buff brick exterior; long, 1st-story concrete planters Non-historic alterations include: hipped roof added to south section of building (1992); some windows removed for air conditioning units along east and west facades of south section; multiple additions at rear (west) elevation of building (no date, not historic); metal roofing and replacement windows in north side entry (in front of 1920s school building)

HISTORIC INFO

Original school building along Maple Avenue was completed in 1926. The new school was begun in 1957 and completed in 1959 ("Celebrating the Bi-Centennial: 1776-1976, Libertyville, IL"); From LIBERTYVILLE: THEN & NOW (p. 28): "After many years of consideration, construction started in 1925 on St. Joseph Catholic School. The building, designed by Hyland and Corse, was built at a cost of \$80,000. The school opened in 1926 with an enrollment of 150 children. In 1957, ground was broken on a new expansion project adding classrooms, a convent, chapel, and one of the largest grammar school gymnasiums in the archdiocese. With many expansions, the school continues to serve as a kindergarten through eighth educational facility."
